About Kumamoto Prefecture and Kumamoto City

Kumamoto Prefecture is located in the center of Kyushu, the southernmost main island of Japan. It is home to Mt. Aso, set in a world-leading caldera, the Ariake Sea, and the Amakusa Islands. You can enjoy the rich natural environment of Kumamoto throughout all four seasons. Kumamoto City, with 740,000 residents, is the hub of Kumamoto Prefecture. Kumamoto Castle is located downtown, surrounded by office buildings and shopping areas. Kumamoto City is accessible via Kumamoto Airport as well as via airports in neighboring prefectures, including Fukuoka Airport. Fukuoka City is the largest city in Kyushu, and just 30 minutes away by Shinkansen train or 2 hours away by highway bus. Kumamoto City is very convenient for international students.

Daily Life Support

1 Housing and Life

Kumamoto University International House, 10 minutes by bicycle (1.5 km) from the Kurokami Campus, is an accommodation for international students and researchers. Currently, it houses more than 200 people. Qualified residents can stay for 6 months after entering the university. There are apartments for students, supermarkets, convenience stores, and other shops near the university. The downtown area is located 15-20 minutes by bicycle from the university.

Tutor System

Kumamoto University offers a tutor system to support international students who have just come to Japan and do not speak Japanese very well or have limited knowledge about Japan. Usually, one graduate school student will be assigned to each international student.

2 Campus Life

© Facilities on Campus

The campus houses, cafeterias, restaurants, bookstores, travel agencies, and bank ATMs. Meals and commodities are readily available at reasonable prices.

© Support for Japanese Language and Culture

Various levels of Japanese language classes are offered so that international students can choose one that matches their Japanese proficiency. The university also offers Japanese history and culture programs and field trips.
